Fundraising Goals

Fundraising Goal to Enhance Our Play-Based Preschool Classrooms:

We are working to raise \$8,000 to create an enriched, playful, and stimulating environment for our young learners. Your donation will help us:

- **Upgrade learning materials:** Invest in open-ended toys, sensory materials, and hands-on activities that encourage exploration, creativity, and problem-solving.
- **Enhance classroom spaces:** Create more inviting and flexible play areas with furniture and play structures that foster imagination, collaboration, and movement.
- **Improve outdoor play areas:** Equip our playground with sensory play elements and paint the existing playhouse.

Your generous support will help us provide a space where children can learn through play, engage in meaningful exploration, and develop important social, emotional, and cognitive skills. Together, we can nurture the curiosity and creativity of our future leaders!
